RESEARCH INTEREST

Topical areas: propaganda; multi-modal news discourse (narrative, frame); short video; cross-platform political communication.

Methods & analyses: multimodal large language models (MLLMs); natural language processing; computer vision and image analysis; visual discourse and narrative analysis; computational social science.

EDUCATION

- **University of Hong Kong** Hong Kong
PhD candidate at School of Future Media, expected graduation: August 2026 Sept 2021 - Present
 - Supervisor: [Professor King-wa Fu](#)
- **University of Hong Kong** Hong Kong
Master of Journalism at Journalism and Media Studies Centre Sept 2019 - July 2020
- **City University of Hong Kong** Hong Kong
Bachelor of Science in Creative Media, Minor in Japanese Studies August 2015 - Sept 2019
 - Supervisor: [Professor Hongbo Fu](#)

SCHOLARSHIPS

- **Postgraduate Scholarship (PGS)**, University of Hong Kong, 2021- 2026
- **Conference Support for Research Postgraduate Students**, University of Hong Kong, 2023, 2024

TEACHING

- **Teaching Assistant, Journalism and Media Studies Centre, University of Hong Kong**
 - JMSC1003: Fundamentals of Data Journalism, Sem A, 2022-2024
 - CCGL9011: Media in the Age of Globalization, Sem A, 2022-2024
 - JMSC6116: Social Media Analytics For Journalists, Sem B, 2022-2024
 - JMSC6055: Research Methods for Media Studies, Sem B, 2022-2024

ACADEMIC SERVICE

- **Journal/Conference Review**
 - Computational Communication Research
 - Big Data & Society
 - Chinese Journal of Communication
 - Asia Pacific Viewpoint
 - Annual International Communication Association (ICA), 2022-2026
 - International Conference on Computational Social Science (IC2S2), 2026

SKILLS

- **LLMs & MLLMs:** prompt engineering, semantic extraction, pipeline evaluation
- **Methods:** natural language processing, computer vision, network analysis
- **Programming Languages:** Python, R, SPSS, C#, SQL, Javascript, html, Gephi, $\LaTeX$
- **Design, Editing, Modelling:** Maya, Unity, PS, PR, AI, AE
- **Language:** Chinese, English, Cantonese

PROFESSIONAL SERVICE

- **China Daily**, Digital Media Department, Multimedia intern, 2020
- **Hong Kong Trade Development Council**, Corporate Communications and Marketing Department, Project assistant intern, 2018
- **Shanghai Minhang TV Broadcast Station**, Media intern, 2015

ACTIVITIES

- **Digital Methods Summer School and Data Sprint**, Visual Methods for Digital Research, Digital Methods Initiative, University of Amsterdam, Netherlands, July 2024
- **Research Clinic on Cities, Digitalization, and Ethics**, Digital Asia Hub, Virtual, October 2021
- **Summer Institutes in Computational Social Science (SICSS)**, Hong Kong, August 2021
- **Creative Computing Summer School**, Goldsmiths, University of London, United Kingdom, August 2018
- **ACM SIGGRAPH Asia**, Student Volunteer, Tokyo, Japan, December 2018
